# **ALLERGIES**

**A FUNCTIONAL GUIDE TO DOG ALLERGIES**

# WHAT CAUSES DOG ALLERGIES?

**ALLERGIES ARE AN OVERREACTION  
OF THE BODY WHILE IN AN  
UNBALANCED OR TOXIC STATE.**

.....

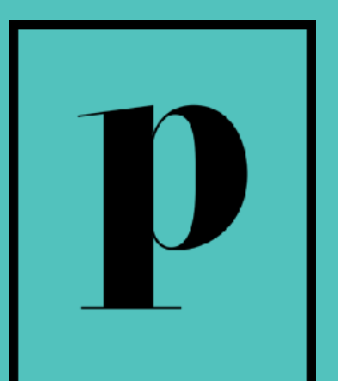

## **SOURCES OF ALLERGIES**

**ENVIRONMENTAL  
NUTRITIONAL  
ACCIDENTAL**

.....

**RESEARCH SUGGESTS THAT EXPOSURE TO  
ENVIRONMENTAL TOXINS (SUCH AS  
PESTICIDES, SOLVENTS, AND AIR POLLUTANTS)  
IS ASSOCIATED WITH AN INCREASED  
PREVALENCE OF ASTHMA AND ALLERGIES.**

**ACCORDING TO THE 2018 BANFIELD  
PET HOSPITAL® STATE OF PET  
HEALTH® REPORT, FOOD ALLERGIES  
AFFECT JUST 0.2 PERCENT OF DOGS.**

# **HOW BAD ARE DOG ALLERGIES?**

**DOGS ARE EXPOSED TO 7 TIMES  
AS MUCH GLYPHOSATE.**

.....

**TYPICAL ONSET OF DOG ALLERGIES  
IS BETWEEN AGES 1 AND 2.**

.....

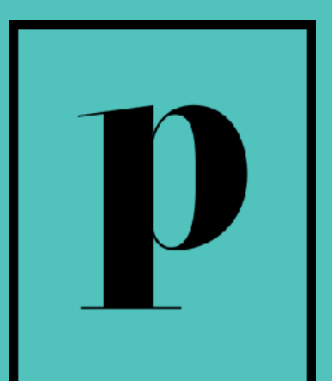

**EXPERTS BELIEVE UP TO 20% OF DOGS  
ALIVE WILL EXPERIENCE ALLERGIES.**

.....

**80% OF DOG ALLERGIES ARE  
MISDIAGNOSED.**

.....

**DOGS CAN DEVELOP ALLERGIES  
AT ANY POINT IN THEIR LIFE.**

# **HOW DO HEAVY METALS AND TOXINS CAUSE DOG ALLERGIES?**

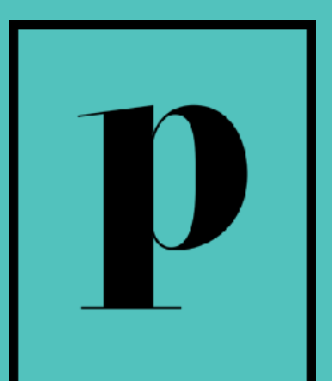

**Exposure to heavy metals and toxins creates an overloaded imbalance within the body. The body reacts with allergies to try and restore this balance.**

.....

**The elements causing imbalance includes toxins, chemicals, unnecessary vaccines and stress.**

.....

**These toxins, poisons and chemicals must be removed in order to heal from the inside out. Treating the allergy symptoms alone will not work.**

# **HOW DO I ALLEVIATE MY DOG'S ALLERGIES?**

**TRADITIONALLY DOG ALLERGIES  
ARE MISTREATED WITH:**

Oral or injectable allergy medicines.

Steroids.

Allergy shots.

Hypoallergenic diets.

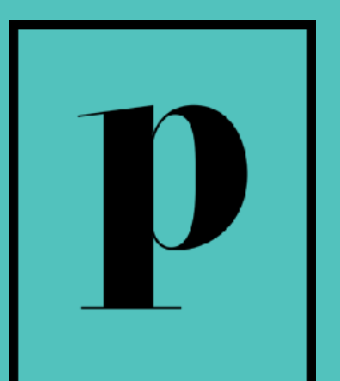

Frequent bathing.

.....

**NONE OF THESE METHODS  
ADDRESS THE ROOT CAUSE.**

.....

**RESEARCH SHOWS THAT REMOVING  
TOXINS AND HEAVY METALS , BOOSTING  
THE IMMUNE SYSTEM, AND PREVENTING  
NEW EXPOSURE ADDRESSES THE ROOT  
CAUSE AND ALLEVIATES DOG ALLERGIES.**

# POLI PET OFFERS ALLERGY SOLUTIONS

## POLI PET BOOST

- INCREASE CELLULAR ENERGY TO HEAL FROM ALLERGIES
- BOOST IMMUNE SYSTEM BY RESTORING MITOCHONDRIAL HEALTH

## POLI PET RENEW

- ACTIVE CARBONS TO BIND AND REMOVE HEAVY METALS AND TOXINS
- RESTORE INTERNAL BALANCE ALLEVIATING ALLERGIES

## POLI PET SHIELD

- PREVENT POTENTIAL TOXIN ABSORPTION THROUGH PAWS AND SKIN
